American Association Games To-Day. Milwaukee at Indianapolis. Kansas City at Louisville. Minneapolis at Columbus. St. Paul at Toledo.

With one run needed to tie the score and two to win, Indianapolis went to bat in the last of the ninth inning yesterday confident of making a sensational finish and defeating the Milwaukee Brewers. The Hoosiers, however, did not stop to reckon on beating ten men instead of only nine, Emil Fertig made the assertion after the game that Indianapolis would have won against nine men, but there was little chance of defeating ten, and Emil ought to know. The tenth man was Umpire Foreman and through his unjust decision on Heydon in the ninth, Indianapolis was deprived of a chance of winning out and the score re-sulted 4 to 3 in favor of Milwaukee.

Jones opened the last of the ninth by driving a long fly to center, but Hemphill was far out in the clover patch and he got under the ball. Hopes were raised when Viox bobbled Woodruff's grounder, Wood-ruff having been sent to bat in place of Coulter. Kihm drove a fast one through the infield. Heydon went to bat but by the luckiest chance of the game, Viox had run over and got in front of the ball. He ter had to jump for it. When he came down his spike cut Heydon's shoe, Heydon having reached the base before Donahue descended. reman called Heydon out and for a moment the crowd was amazed. Then the ome players and the spectators became dignant and rushed upon the field. It ooked very stormy for awhile, but Foreman was escorted to the Indianapolis team's beach by two of the home players. The crowd gathered around him and it was necessary for the police to push the irate fans away from the umpire. The game had been ost and the crowd dispersed after telling Foreman he was the worst umpire ever seen in Lidianapolis.

DECISIONS FAVORED MILWAUKEE. All through the game Foreman was erratic and most of the close decisions were given in favor of Milwaukee. Early in the contest he called Jones out on strikes when the ball he called a third strike went far

over his head. charged against the Hoosiers. But the Brewers were long on luck and three double olays helped deprive the champions of good most of their safe hits.

The game was exciting, as it was impossiole to pick a winner until the last man had been retired. Milwaukee started off with a ead of three runs before the Hoosiers got nto the run getting business. Then the Hoosiers tied the score in the sixth, only to drop behind in the seventh, and were unable to catch even again.

Williams was pitted against Meredith and the latter had just a trifle the better of the argument. Kihm led the batting honors for the Hoosiers, while Unglaub did the best willow work for the visitors.

Through a combination of misplays in the first inning the Brewers were enabled to start off with a lead of two runs. Schladey drew a pass to the initial sack. Donahue attempted to sacrifice and Williams made a wild throw to second, allowing Schlafley to take third. Coulter made a poor throw to the infield and Donahue went to second. Wood fouled out to Kihm and Unglaub hit long fly to Coulter, scoring Schlafley. Hemphili's single sent Donahue across the

pan. Dunleavy flew to Tamsett. The Hoosiers got men on bases in the first four innings, but there was no scoring. In | South Bend ...........91 retired. Ganley beat out an infield chance. lox hit to Marcan, who fumbled, and when he tossed the ball to Fox the latter made a poor throw to the plate and Ungiaub Grand Rapids .... .. 89

HOPES WERE RAISED.

Hopes were hoisted several degrees in the 86th, when the Hoosiers registered two tallies. Hogriever singled and Jones hit to Unglaub, who made a wild throw to second, both Hogriever and Jones being safe. The best Coulter could do was to lacerate the atmosphere, but Kihm's single to right scored Hogriever and sent Jones to second. Schlafley booted Heydon's chance and the bases were filled. Tamsett drove one to left, scoring Jones. Kihm tried to score, but was thrown out at the plate.

dianapolis tied the score in the last of the sixth. Fox beat out a bunt, and was sacrificed to second by Williams. Hogriever dumped the ball in safe territory in center, and Fox scored. Jones hit to Viox and was thrown out at first. Hogriever tried to make third, but was put out.

With one out in the seventh Donahue hit to left for three bases, scoring on Wood's bucky little hit over second. That proved to e the winning run. The Hoosiers tried hard to score in the eighth, but a double play retired the side. In the ninth Foreman arranged matters so that Milwaukee was given a victory. Score: Indianapolis. A.B. R. H. O. A.

Başeball Notes.

Unglaub's single in the ninth caromed off Williams's shin and rolled into left Tamsett's work in the games since the team returned home has been very brilliant,

both in the field and at bat. Hogriever started a hard hit toward left in the eighth, but Viox got in front of the line drive and made a double play. The New York Giants seem to be bolted to the toboggan. They are having their first real losing streak of the season. While Chicago and New York Nationals are dropping games, Pittsburg is recovering lost ground and increasing the lead on first place.

Coulter has taken an awful slump in batting. Who would have thought another batter would have been substituted for him at a critical time? Pete O'Brien is in uniform on the coaching line now, but he wasn't able to puil out a victory yesterday. It wasn't O'Brien's fault, as he couldn't work against the um-

pire's rulings There will be a double-header at Capital City Park to-morrow. The first will be between the Washingtons and the Aurora Unions. The winner will play the Indian-

apolis Grays in the second game, Yesterday was the first time this season or in the history of American Association ball in this city when the crowd swarmed on the ball field anxious to tell an umpire that he was about the worst official that ever carried an indicator. Indianapolis spectators have a reputation of being very fair, and it is safe to say that had Foreman given a decision against a home team in another city like he did against Indianapolis in the last inning yesterday he would have been roughly handled. His bad decisions on Thursday made the spectators Runs-Kleinow, Geier (2). Shannon, when he persisted in giving the Hoosiers Schaefer. Two-base hits-kleinow, Geler, I the worst of it vesterday.

Special to the Indianapolis Journal. ELWOOD, Ind., July 31.-At a meeting to be held in the office of President Norton. at Anderson, next Wednesday morning the directors of the Western Roller Polo Association will reach a definite decision as to the proposed enlargement of the league. Two months ago, at the annual meeting, the directors voted to admit Marion and one other city, to be determined later. The Marion franchise was then awarded Messrs. John R. Page, of Anderson, and W. F. Stinson, of Alexandria, but these gentlemen have not come to the front as cisiv

probability that Marion will be left out. In the meantime Messrs. Smith and Halderman, of Marion, the latter owning the two theaters there, secured a franchise in the new Central League, but they have done nothing and the Western League to scare out Page and Stinson and thus protect Halderman's theatrical interests. The Western League managers have abandoned the salary limit proposition for the present and on account of the vigorous competition expected will pay whatever salaries are necessary to secure the best players in the country. Signatures to conracts are being secured every few days from players who want to play in the parent league. The reserve lists of all the managers will be presented and acted upon at the meeting Wednesday.

This is only one-half second slower than the stallion record of 2:024, held by Cresceus for two years. Lou Dillon went to the three-quarters pole in 1:31%. Here the wind interfered, but she beat The Abbott's record time for geldings 2:0314, by half a second. A crowd of about 7,000 persons witnessed the exhibition and cheered the beautiful little mare and her clever driver. Lou Dillon's previous record of 2:031/2 was made on July 1, 1903. Dan Patch, the pacing champion, also ran a fast mile. Announced to go a "warming"

mile in about 2:06, he was driven by Myron McHenry in 2:021/2, pacing the last half in 1:00 1/2. In the regular events two horses repeated in winning the second races. The first race of the day, the 2:27 trot, was won by Robinzola, which won the last race of Tuesday. The 2:22 pace was won by Ebony King, who won the 2:16 pace on Tuesday. The 2:07 pace, the fastest regular event of the day, went to Winfield Stratton, Captain Sphinx being second in each heat. Charlie Halt, of whom much was expected, made a poor showing, although he set the pace for the first half in the second heat, making that distance in 1:02. The effort tired him, however, and he finished last. George Muskovite was the best of a large field in the 2:15 trot and won in straight heats. Summaries:

Brown Segmental Wire Gun Fired at

at the Proving Grounds. NEW YORK, July 31.-Before Lieutenant General Miles and other members of the Board of Ordnance and Fortifications, the ten-inch Brown segmental wire-wound gun has been fired again on the Sandy Hook proving grounds. It was first tested in 1901. Then the breech block blew off under the strain of 29,000 pounds to the square inch. In the second test, leaded with an amount slightly less than the service charge of 150 pounds of powder, a projectile weighing 500 pounds ricochetted far out to sea. Following this there will be further trials until the maximum strain has been placed on the piece and at least one hundred shots are breech block which, it is said, can be remedied, the present trial is declared to be a

The construction of the segmental gun was authorized in 1897. So far it has cost the

government \$33,000.
